

Sons of Norway, Nortun Lodge, invites you to participate in

PEPPERKAKEBYEN
(translation)
GINGERBREAD CITY

Open November 16 to December 16, 2012

Gingerbread City is modeled after Pepperkakebyen in Bergen, Norway, a holiday tradition in which people and organizations from across the city make gingerbread houses for a huge display that is open to the public. Making, eating, and decorating with gingerbread has a long history throughout the Scandinavian countries of Norway, Sweden, Denmark, Iceland, and Finland.

For the 2012 holiday season, individuals, schools, churches, businesses, **community clubs**, agencies, and area lodges are invited to make their own authentic gingerbread houses and buildings for display in Gingerbread City. The only requirement is that you use real gingerbread - the rest is up to your imagination! We encourage houses, public buildings, landmarks, and creations unique to your neighborhood/area so that Gingerbread City is reflective of our beautiful area.

Deadline: Gingerbread City will be on display at the Nordic Center, 21 North Lake Avenue, Duluth, MN. You may drop off your gingerbread creation from 10 am to 5 pm, November 10th & 11th. Please label for display and identification. Following the closing of Gingerbread City in mid December, you may pick up your house/building for your holiday enjoyment.

Gingerbread City will open to the public on November 16 prior to the Christmas City of the North Parade.

Call 218-722-0029 or e-mail janepkpt@yahoo.com for more information.
