## WELCOME, NEW NEIGHBOR

Because every Park Pointer refers to any other Pointer as "my neighbor" no matter how many blocks away from each other they may live, you have just gained 1282 neighbors. As a community, we welcome you, new neighbor.

You've undoubtedly discovered some of the wonders of this unique, eight-mile island: beaches, boats, bikes, birds.... But, in addition, there's much to learn about living and liking it here. You can join the Rowing Club, or the Lafayette Edible Garden. You can check on the boats online at the [duluthshippingnews.com](http://duluthshippingnews.com) or see what's happening at [parkpointcommunityclub.org](http://parkpointcommunityclub.org); attend/volunteer at the Park Point Art Fair at the end of June; blossom with the Park Point Garden Club; learn how to spend those treasured moments while you are "bridged"; ride the wind with the Duluth Superior Sailing Association; send your children or grandchildren to the kids' summer program at Lafayette; enjoy and contribute to our fact-and fun-packed newsletter, *The Breeze*; join the Park Point Community Club; or play tennis on the Lafayette court.

In fact, much activity emanates from the Lafayette Park Building on 30<sup>th</sup>. That's where the Community Club meets, too, on the third Thursday of the month at 7:00. (The sign on the "S" curve will remind you.) "The purpose of the club is to work for the betterment of the community and the welfare of its residents." Since you are now a resident, please consider coming to a Community Club gathering and meeting some of your 1282 new neighbors. We hope to see you soon.

Sincerely,

Dawn Buck, President, PPCC

P.S. Here's a sample issue of *The Breeze* for your information, amusement and pleasure.
